THE IDEA

A modular mark built around connection, movement, and precision—representing NEXORA's role in turning complex systems into clear paths forward.

CONSTRUCTION SYSTEM

- 01 BASE UNIT**
The fundamental geometric module.
- 02 CONNECTION**
Two modules intersect and align.
- 03 TRANSFORMATION**
Geometry creates structure and flow.
- 04 FINAL MARK**

GEOMETRIC RULES

**MODULE**

The logo is constructed from consistent geometric units.

**ANGLE**

Maintain one consistent angle throughout the mark.

**RADIUS**

Use consistent corner radii across all elements.

**PROPORTION**

All elements follow a controlled proportional relationship.

**NEGATIVE SPACE**

Internal spaces remain balanced at every scale.
